ST LUCIE LOCK

OKEECHOBEE WATERWAY, FLORIDA

1. Mariners are hereby notified that due to the repair of the right angle drive on the St. Lucie Lock, there will be a limit of 20 feet to the beam of boats locking through the lock. This limit will start on 21 June 2004 at 0600 and end on 25 June 2004 at 1630 and affects east and west bound traffic.
2. Boaters should use extra caution when locking through the lock during this timeframe.
3. Be advised, general information may be directed to the Corps of Engineers South Florida Operations Office in Clewiston, Florida at 863-983-8101.

FOR THE COMMANDER:

JOHN F. ADAMS
Interim Chief, Construction-
Operations Division
